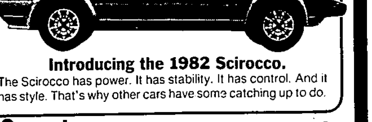
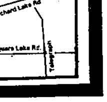
Nothing else is a Volkswagen '82
Scirocco.



Introducing the 1982 Scirocco.
The Scirocco has power. It has stability. It has control. And it has style. That's why other cars have some catching up to do.
Quantum Wagon


Introducing the Quantum Wagon from VW.
At a time when other cars are shrinking, Volkswagen designed the Quantum to have more practical dimensions.
We invite you to come examine the proportions of the Quantum wagon and to size up its advanced engineering and performance by taking a test drive. That way, you'll be fully able to evaluate just how well the Quantum measures up to your expectations.
