Taking in consideration profits of last year when the total amounted to something over $6,000.00. Considering our investment in land and improvements it amounts to about $81,000.00. Due to the fact that the Pontiac Market and Royal Oak Market are operated by the same force alternating three days in Pontiac and three days in Royal Oak, splits the salaries and overhead expenses 50 percent. The Pontiac Market has not only paid its running expenses and maintenances, but has also paid interest on its investment which we think is a wonderful showing the third year of the market.

Royal Oak Market

We would also like to show you a partial report of the Royal Oak Market since June 1st, 1927. This Market has just begun operating nicely in its new
