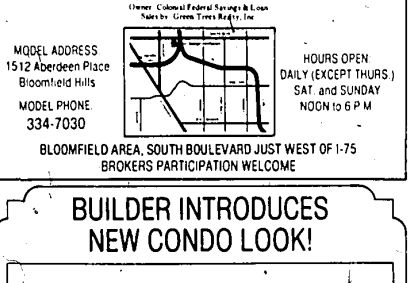
BUILDER INTRODUCES NEW CONDO LOOK!



New hillside homes at Lexington Condos in Northville

Six unusual Condominium homes are now available for six very special families at Lexington Condos in Northville

Nosan Building Corporation, builders of Lexington, haven't really changed the floor plans When you've got a winner, you don't fool with it! But because of a unique hillside setting, the outside appearance of the homes has been changed a bit The garages have been tucked back under the homes, creating an enormous 21'x22' two car garage with a private entry into the basement of the home-ideal for the home hobbyist. The front porch has been expanded to 12'x12' (almost a patio) and the foyer entry has been enlarged and lightened. Also, provision has been made for a full bath in the basement, making this area easily adaptable as a teenager's getaway "apartment."

The total effect is Sophisticated California Contemporary reminiscent of San Francisco's Lombard Street only done in earth tones

Because settings like this one are uncommon, this is a limited edition offering

The new two and three bedroom hillside homes range in price from $49 000 to $53 000 A three bedroom Carleton at 1800 plus square feet is being finished out as a temporary model and will be ready for viewing this weekend. Other homes are available for 30-45 day occupancy

Lexington Condo Homes is located on 8 Mile Road one mile west of Sheldon Road (Center Street) in the City of Northville. Sales Office and Models are open after 1 00 p.m. everyday except Thursday For further information, please call 324-8220

THOMPSON-BROWN
