Does YOUR Back Ache?

NEARLY everybody suffers from kidney disease at some time or other. One may think he is perfectly well and even force himself to say he is "all right," but his tired movements and languid expression tell more plainly than words that he is in an unhealthful condition.

Backache is a symptom of weak disordered kidneys. Rheumatic pains, stiff joints, sore muscles are others. These symptoms indicate that the kidneys and bladder need help to do the work of filtering and casting out from the system poisons and waste products that cause trouble.

Foley Kidney Pills

give quick and permanent relief in kidney or bladder troubles that have not reached a chronic or advanced stage. They stop bladder irregularities, strengthen the kidneys and tone up the liver.

Paul Darkow, Stewart, Minn., writes: "Two years ago I had a pain in my back so severe that I could not walk. I thought it was kidney trouble. I bought a 50-cent bottle of Foley Kidney Pills and after taking about half the bottle was completely cured. I have had no recurrence of the trouble."

If you have any cause to suspect that your kidneys need help, you will make no mistake in taking Foley Kidney Pills. In 50c and $1.00 bottles.

Deserve Special Mention

The Women's Committee, Counsel or National Defense, are so thankful for the way the people of Farmington responded to the last Red Cross call.

We feel proud of a man or woman who will call at our door or at the banks and offer to pay their assessment, which a good many have done.

Two laboring men stopping at the Grace House, Messrs. Miller and Fitz are deserving of special mention, as they voluntarily came forward with $25.00 each, which shows their patriotism.

Every one is beginning to realize that this is the most horrible war ever known, and are standing ready to do their part.

Rena Lamb,
Publicity Chairman.

Indicative of the tendency of the times for closer co-operation among all organizations is the plan for the re-organization of the Oakland County Pastor's association, which will take place at the Board of Commerce, Pontiac, beginning with a luncheon at noon Monday, June 10th. Many good speakers will be in attendance, and a big gathering is expected.

A dance, benefit Red Cross, Friday, June 7, 1918, Farmington Town Hall. Admission $1.25, extra lady 35 cents, including war tax. Dancing 9 to 1. "Ike" Fisher's Orchestra. All are welcome.

Card of Thanks.

We wish to thank the people generally of our township and village for the generous way the quota for the Red Cross was over-subscribed. With very few exceptions the right spirit was shown, and the committees report fine treatment from all but the very few who turned them down. If these few will but consider that all of the Red Cross money goes to help out our boys who have gone and others yet to go, and come forward with their quota, all will be well and everyone will feel better; otherwise the worse cases will be published next week in the Enterprise, in following manner:

"Farmington's Red Cross Slackers"
JOHN DOE, Etc.

And this "Ad" will be kept there for 3 months.

Farmington Township War Board.

The Farmington Ladies Aid meets on the first Wednesday of each month at the parsonage.

The ice cream social, held under the auspices of the Women's Home Missionary society last Saturday evening on the church lawn was a real success, socially and financially. The ladies will be able to meet their obligations for the year.

In the afternoon the greatest service of the day will be held. Dr. M. S. Rice will give his lecture on "Rebuilding the World" at 2:30. Bring your friends. This lecture is the product of Dr. Rice's experiences in Europe last summer. There will be good music. An offering will be taken to help carry on the war work of the Methodist church.

The evening service at 7:30, when the pastor will preach. The sermons will be brief during the summer season and we shall try to make the evening services about an hour long.

Patriotism will be the keynote of the 1918 Michigan State Fair. Assistance to the nation through the education of the people in conducting the great war will constitute the fundamental object of every exhibitor. That particular phase of each exhibit which may be especially adapted to the awakening of the latent forces of the citizenry of Michigan will be extolled before the public. This idea has been predominate in the mind of G. W. Dickinson, Secretary-Manager of the fair, throughout the preparation of the plans for the coming exhibition.

NEWBERRY *for* United States Senator

Truman H. Newberry

Truman H. Newberry is a candidate for United States Senator. He is an American in real earnest. His service in the Spanish-American War, his record as Secretary of the Navy under President Roosevelt, and his present work as a commander in the Third Naval District, which includes the port of New York and the Brooklyn navy yard, mark him as a FIGHTER and DOER, capable and courageous.

Michigan born, November 5, 1864, Michigan reared and devoted to all of Michigan's interests, with his record of service, and his active, positive loyalty to state and country, it is especially fitting that Truman Newberry be chosen to represent Michigan in the Senate of the United States.

When twelve years old, he was color-bearer in a Michigan Cadet organization which won fame at Philadelphia. He helped organize the Michigan Naval Brigade in 1895, enlisting as a private and serving as an able seaman on the training ship "Yantic." He was an ensign in the Spanish-American War on the "Yosemite." As a commander, in the Third Naval District he will continue to serve his country, standing for and by the government for the full prosecution of the war and leaving his campaign for Senator entirely in the hands of his friends. His two sons are enlisted in their country's service, too, one as a major in the army, the other as an ensign in the navy.

Truman Newberry is a worker. After he left college, he took hard knocks working with a construction gang on the old Detroit, Bay City & Alpena Railroad. He also sailed the Lakes and earned for himself a license as first-class pilot. HE IS A MAN'S MAN.

As Secretary of the Navy under President Roosevelt, he is credited with putting the navy in a state of preparedness, which has had much to do with its present efficiency.

"Fighting Bob" Evans said of him—"Truman H. Newberry is the greatest Secretary of the Navy the nation has ever had."

His ability and experience make him an ideal candidate for United States Senator.
