An Equal Opportunity Employer

SENIOR GEARING ENGINEER

HARNISCHFEGER

any hour, any day...

Whenever the world is at work, building, mining or producing, we are there-Striving to serve a changing world and growing to meet the needs of progress.

Increased demand for our hydraulic rough terrain and truck mounted cranes (12½ ton to 130 ton capacity) has caused tremendous expansion and created a new and challenging opportunity for a Senior Gearing Engineer. The successful candidate will be in charge of advance design and development of the planetary gear reduction components used on our machines. The ability to organize and schedule projects are essential qualities for this new position.

To the qualified candidate we offer an excellent starting salary, a solid fringe benefit program and the opportunity to work in an atmosphere of pride and recognition. For consideration please send a resume or letter outlining background, in complete confidence, to:

R. Humphries
