Spend 15 minutes in an Alfetta.
You'll wonder why anybody would spend $15,000 for a car.
People spend a lot of money on luxury performance cars. If you're considering one, visit our showroom. Drive Alfa Romeo's Alfetta GT coupe and Alfetta sedan, the world's first truly balanced production automobiles. They are rated higher than the $16,000 German luxury car by Road & Track and Road Test magazines. And we offer you both Alfettas for about $1e,000!
