The Peugeot 604 SL.
Too new to be called a classic.
Too distinguished not to become one.
For inner comfort, the Peugeot 604 offers the roominess of a chauffeur driven sedan, leather seats, an electric sunroof, and power just-about-everything.
For driving comfort, it has fully independent suspension, four-wheel power disc brakes, and power-assisted rack and pinion steering.
And for passing comfort, it has a powerful, overhead cam V-6 engine.
Finally, the Peugeot 604's suggested retail price starts at around $11,000 P.O.E. And that, you'll have to agree, is a comforting price for a car that's in a class with the classics.
