PLAIN FACTS
about Bond's $15 Clothes

QUALITY FIRST: That's the thing you are interested in, of course, for no suit or overcoat is a "good buy," no matter how low the price may be, unless the quality is right. Lots of stores sell $15 clothes—but they cannot compare with Bond's for quality. Plain ordinary $15 quality would never have built our tremendous business. But Bond's extraordinary quality is doing it.

We Will Positively Maintain Our Quality—Even Though

we have to raise the price. Now, mind you, we will not raise the price until we are forced to. Fortunately, we are protected for some time, and you can still buy Bond's clothes for

$15

Buy While the Buying's Good

You better buy two or three suits and an overcoat or two. Don't worry about the styles not being right when you come to wear them. Bond's styles are in advance of the ordinary retailer's, so you take no chances on that.

We Want to Impress These Facts Upon Your Mind

The woolen situation is serious; every clothier in town must admit it. Because we are protected for a time, our price will remain the same, but if we must, we will raise the price to maintain the quality—knowing you'd rather have satisfaction at a dollar or two more than dissatisfaction at any price. Play safe — buy Bond's clothes now.
