606 Legal Notices

NOTICE OF PUBLIC HEARING

Notice is hereby given that a Public Hearing will be held by the Southeastern Michigan Transportation Authority, Wednesday, December 29, 1976, at 10:00 a.m. at the City Offices, 6000 Middlebelt Road, Garden City, Michigan, for the purpose of considering a project for which financial assistance is being sought from the Urban Mass Transportation Administration pursuant to the Mass Transportation Act of 1964 (as amended), generally described as follows:

A. Description of Project:

(1) Project consists of purchase of property in Garden City (Wayne County) of approximately 4.5 acres of land and the construction of approximately 60,000 square feet bus storage and light maintenance garage facility.

(2) The storage and maintenance facility will be located in the southeast corner of Block and Hubbard streets in Garden City, Michigan and used by the SEMTA, Metro Division of the City of Detroit.

(3) The estimated net project cost is $4,000,000 of which the Federal share shall be four fifths and the local share one fifth. The local share shall come from the Michigan Transportation Fund.

B. Relocation: One residence and one business will be displaced by the project.

C. Environment: The environmental impact of the facility will be minimal, especially since relocation will be on an established light industrial land.

D. Comprehensive Planning: This project is in conformance with comprehensive land use and transportation planning in the area.

E. Elderly and Handicapped: The construction of a storage and maintenance facility will have no special benefit for elderly and handicapped in which however be of benefit to the general public in use of clean and more reliable buses.

At the hearing, SEMTA will afford an opportunity for interested persons or agencies to be heard with respect to the social, economic and environmental aspects of the project. Interested persons may submit orally or in writing evidence and recommendations with respect to need, prospects for success, and benefits to be derived from a Federal grant for the proposed project, together with a fund for alternatives. SEMTA's Maintenance Facility Plan and the Transit Development Plan for the area are currently available for public inspection at SEMTA's business offices.
