SAAB How we made the exciting Saab Turbo more exciting.

We Took $1,753 off the sticker price

Saab-Scania of America has reduced the price by $1,753 on our Saab 99 Turbo to make room for our '79 models.

The Saab 99 Turbo is a super exciting car. It has the remarkably powerful Saab Turbo engine, front wheel drive, rack & pinion steering, 4-wheel assisted disc brakes, sunroof, metallic paint and electric sideview mirrors. Even at the old price the Turbo was a thrilling driving value. But now at $8,995* P.O.E. it's even more so. And ask your Saab dealer for his special air conditioning price, for your new Turbo. So get out and test drive a Saab Turbo now. This offer is good only while supply lasts. At $1,753 off that won't be long.

$8,995

*The manufacturer's suggested retail P.O.E. price for the Saab Turbo includes dealer preparation. Taxes, title and licenses, destination charges and optional equipment are additional.
