PROJECT ENGINEERS
With sales increasing from $37 million in 1970 to $280 million in 1979, Guardian enters the '80's in a strong position. We're the 4th largest manufacturer of flat glass and one of the largest photo-finishers in the United States. Our future expansion plans - domestic and international - are well conceived and provide the foundation for Guardian's continued growth throughout the next decade
Join Guardian's Corporate Engineering Team and see how our rapid growth can mean unlimited career opportunities for you. The following newly created positions are located in Northville.

ELECTRICAL PROJECT ENGINEERS
Your responsibilities will include the preparation of specifications, design, procurement and coordination of field installations. A BSEE is required along with 5 solid years "hands-on" experience in plant power distribution, lighting, processed instrumentation and programmable controls, motor control, etc

MECHANICAL PROJECT ENGINEERS
The individuals selected will be specifying, designing, procuring and coordinating field installation of process piping, water sewer, oil, gas, compressed air HVAC, fire protection, etc. We require at least 5 years experience and a BSME
We offer an excellent salary and a comprehensive employee benefit package. If you would like to play an important role in the future of Guardian Industries, forward a resume with salary history in confidence to
