Retailers Let's Talk About Co-op

In 1977 an estimated $1.5 billion of cooperative advertising funds available to retailers were unclaimed. December 31, the majority of those funds reverted back to the manufacturer.

This is your money ... you've earned it by stocking the products. Why give it back? We can help you discover hidden co-op funds and effectively incorporate those dollars into your regular advertising program.

Call Ron Tobaczko for the complete co-op story and how we can help you at no charge to you. Call
