DATA PROCESSOR MANAGER
Aggressive, growth oriented company is seeking an experienced professional Data Processing Manager. The individual we are looking for should be experienced in systems analysis and have intimate knowledge of hardware and software. He/she will be a "hands-on manager" on DEC 11/70 and IBM 3/3 Mod 12. Knowledge in RPG II, Fortran and Cobol required and previous supervisory experience would be a plus. The individual should have supervisory skills and the ability to interface with non-technical personnel. This is a good opportunity for someone seeking a challenge with personal and professional growth. If you feel you meet these requirements, then please forward your complete resume and salary requirements to the attention of John Reddy, General Manager, Observer & Eccentric Newspapers, 36251 Schoolcraft Road, Livonia, MI 48150.
