Camping for Kids! . . .

TWO RESIDENCE CAMPS THIS SUMMER

CAMP NISSOKONE

coed • ages 10 & up

For more than half a century YMCA Camp Nissokone has been a center of excitement and memories for kids from about the country. Far enough from home to build a sense of adventure, yet close enough for security and convenient travel, Nissokone retains the essence of camping tradition that keeps kids returning, year-after-year.

Boy and Girl campers are divided into Units by age and grade, with programs planned by interests in the mornings and afternoons. Evening activities are by cabin, unit or all-camp groups. Campers select their own program skills from a wide variety of activities with skilled staff assigned to each activity. Highly-specialized staff supervise the swimming, horseback, nature and craft programs.

CAMP OHIYESA

coed • ages 8-10

A great place for young campers to get their first feeling of "independence". Modern Dining Hall-Lodge, with fireplaces, activity areas and sanitary unit. Cabins are all-weather with sanitary facilities nearby. Hot water showers and flush toilets in sanitary units. Modern Health Center with activity area, located in central camp. Barn, stables, pasture and trails winding through camp, with 16 horses available. Woods; game fields; craft shop; nature trails; modern, new swim area designed for the beginner; a fleet of rowboats and canoes; all waiting for shouting kids to take over. Archery and overnight campsites, too! The outdoor chapel rounds out a place for your young camper to have fun and learn and make a new friend or two or three.
