FREE license plates
With an auto loan of $1500 or more from Fidelity.
While this offer lasts, Fidelity will reimburse you for the cost of your license plates (that is, as soon as the new '79 plates are available in November) on any car loan of $1500 or more from Fidelity.
Another pleasant surprise is our interest rates. They're nice and low — as you'd expect at Fidelity. So if you're looking for the right place to finance that car, you just found the right place. Drop in soon — or, if you prefer, phone us for more information.
