OVER 53 YEARS OF SALES AND SERVICE

There's nothing nicer than driving around in a fine luxury car. And nothing worse than knowing you can't afford it. Which is why you should look into leasing the Peugeot 604.

We'll put you in a 604 for just $300 a month. And we won't require a down payment either, just a small security deposit.

The 604 is a car built for uncompromising comfort.

A few minutes in one and you'll understand how.

It has specially designed orthopedic seats, air conditioning, power windows and power door locks—all standard equipment.

So come in and find out about leasing a Peugeot 604. It lets you go in style, not in debt.
