The alphabetical listing for Farmington City and Farmington Township are two separate lists. Be sure to check all lists when looking for a name. If using an automatic "search" command, it should search all pages. Because of the type is not too clear, it is best to do a manual search through the two lists as well. Notice at the top of the alphabetical listings, the words Farmington City or Farmington Township have been added to identify which town would be the mailing address.

NORTHVILLE

Already the largest winery in the state and one of the leading wineries in the nation, a new addition is adding 12,000 square feet of floor space to the Farmington plant of LaSalle Wines & Champagnes Inc.

Visitors are welcome to see LaSalle Wines in the making, to inspect the surgical cleanliness of the fermenting and bottling rooms, to watch the completely automatic bottling equipment.
