ATTENTION
DIESEL GEN SET
MECHANIC-ELECTRICIAN
If you trouble shoot and repair Diesel-power generator sets, we have a great opportunity for you. A minimum of 4 years experience in both mechanical and electrical aspects of diesel gen set repair - plus the ability to read Schematics - can put you to work with top-notch people, for excellent pay and benefits at a fast growing concern. Since July 1, 1978 our number of employees has doubled while parts and service space has tripled. Your present position may be good, but is it REALLY the best you can get? Find out for sure.
Call for appointment.
