WHO SAYS VOLVOS AREN'T ATTRACTIVE?

$22,900*

The Volvo 940 Sedan. A European family car whose appeal goes well beyond its surface all the way to its price. Equally compelling are such standard features as anti-lock brakes, a steel unibody with Side Impact Protection System, power windows, and more. So see us for a test drive. Because while hearing about it may be something, driving it is definitely quite another.
Drive safely.

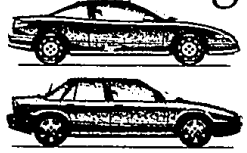
No hassle. No pressure. And now, no waiting.



As you may have heard, people get treated differently at a Saturn showroom. Well, so many people were coming infor that different experience that we ran out of cars! (Okay, not really. But it sure seemed like we did.) Anyway, the folks down in Spring Hill have been working overtime lately, and we now have a pretty wide selection of cars to show you. So try to come in today. That is, if it's not a hassle.
