Henry Ford Health System

HENRY FORD WYANDOTTE HOSPITAL

ONE GOOD NAME DESERVES ANOTHER.

Innovations that continually improve the level of health care available to our community. That's what you find at Henry Ford Wyandotte Hospital. Now that we have built a partnership with Henry Ford Health System we can serve our community even better. And soon, we'll be building something else... a multi-million dollar replacement and expansion project to meet the needs of the Downriver community into the 21st century. Our new and expanded emergency room, operating suites, obstetrical suites and cardiac services are just a few of the areas that demonstrate this commitment to improving the quality of our services and facilities. While our name, size and resources grow, our focus remains the same: serving the Downriver community.

At Henry Ford Health System, our vertically integrated system redefines the idea of health care delivery. We remain committed to providing superior, comprehensive care to our own patients, which in turn raises the level of care available throughout the country. It's an exciting process that works because of the talent and resources behind it. And if your ambitions are as advanced as your talent, you can find your place within our system.
