Ford

THE UNIVERSAL CAR

The Ford Sedan

THE Ford Sedan quite naturally is in larger demand every year, and now with the pre-war prices, without any sacrifice of the high quality of materials, and excellent reliability of workmanship, comforts and conveniences, the Sedan is the car of cars, and while a luxury in itself, at the same time is a necessity, costing less than the ordinary touring car (except the Ford) its value cannot be equalled.

Any of us will be pleased to take your order for the Ford Sedan, assuring you of a prompt delivery as possible, and the further guarantee of comfort and economy through the efficient after-service which is always at your command. We are all equipped with the latest up-to-date machinery, with skilled Ford mechanics; and with the genuine Ford-made parts, so that we can keep your car as good as gold, so far as service is concerned, every hour in the year.

We solicit your orders. If you are going to have a closed car this fall we believe the Ford Sedan is your best investment. Won't you call in and talk it over, or let us give you a demonstration?
