# *A Friendly* **SUGGESTION..!**

If you have found the Classified Telephone Directory helpful as a guide to buying, tell your friends about it. Perhaps they will find the convenient listing of tradespeople useful, too, and they will appreciate your suggestion.

Many new residents, especially, have come to rely on the Yellow Pages of the Telephone Directory to help them locate the dealer who can serve them best, or to find who handles the brands of goods they want.

The Classified tells who's who in local business. Its listings are made up of alert merchants and service concerns that stand ready to serve you and your friends.
