

NORTHVILLE LISTINGS have been included in this directory in preparation for the introduction of optional Extended Area Service to that zone.

You will be advised when this service is available. Until then, calls to Northville will carry a toll charge.

MICHIGAN BELL TELEPHONE COMPANY

BUSINESS TRANSACTIONS WITH THE COMPANY
YOUR SERVICE REPRESENTATIVE

In the Business Office you will find a Service Representative ready to help you with all your telephone business transactions. She will arrange for new service installations, for any changes in your service, and will answer any questions you may have about your service or bill.

To Transact Any Business with the Company

BY TELEPHONE

If you wish to telephone about your bill or about your service, call the Business Office.

IN PERSON

You may transact business in person at the Farmington office, located at 23616 Farmington Road any time between 8:00 A.M. and 5:00 P.M. Monday through Friday and until 12:00 Noon on Saturday. The office is closed on Sunday and on generally observed holidays.

YOUR TELEPHONE BILL

Telephone bills include charges for local service for one month in advance of the date of your bill and for out-of-town calls made during the monthly period preceding the date of your bill. Each customer is held responsible for all long distance messages originating from his telephone.

Bills may be paid at the Maxwell J. Smith Drug Store, 27702 8 Mile Rd. or at the Business Office in Farmington. If paying by mail, please enclose the bill stub with your check and mail to the Michigan Bell Telephone Company, 23616 Farmington Road, Farmington. If the stub has been mislaid, please write your telephone number on the check.

Monthly Service Rates

Residence Telephone:

1 party	\$4.25
2 party	3.50
Extension85

Farmington subscribers to Extended Area Service may make an unlimited number of calls without additional charge to telephones in the Farmington, Livonia, Mayfair, Walled Lake and Southfield Zones. In addition, residence Extended Area Service provides for unlimited calling without additional charge to the following central offices of the Detroit Zone:

- Garfield
- Kenwood

Extended Area Service calls to points in the Detroit District Exchange, not covered in the unlimited calling area outlined above, are charged for at 4 cents per message-unit.

MISCELLANEOUS INFORMATION

Service Connection Charges apply to the installation of certain telephone services. Information concerning such charges, as well as services and equipment not listed herein, will be furnished by the Business Office on request.

All rates quoted above are subject to a Federal Tax.

The above rates and charges were in effect at the time of issuance of this directory. They are subject to change by order of the Michigan Public Service Commission.

FARMINGTON

DETROIT DISTRICT EXCHANGE SERVICE

The FARMINGTON EXCHANGE is a "zone" of the DETROIT DISTRICT EXCHANGE. (See Map.) Calls between FARMINGTON and WALLED LAKE and the other zones shown on the map are interzone calls. Interzone calls are charged for on a "Message Unit" basis, the message unit being a Method of Measurement. Factors such as length of conversation and the distance between the two points determine the Number of Message units to be charged on such a call. The number of message units applying on calls to the various zones is shown below. Each message unit represents a charge of 5c, except for "extended area service" subscribers (see page 2).

Collect Message Service

Messages between two stations in different zones may be placed on a collect basis, that is, may be billed to the called telephone number, provided the charges are accepted at that number and the message rate is 2 message units or more.

The charge is 25c for a message with an initial period of five (5) minutes or less, and 5c for each additional minute or fraction. No charge is made for calls not completed when the called telephone does not answer or when the charge is not accepted.

MESSAGE UNIT CHARGES FOR 5-MINUTE CALLS FROM FARMINGTON

Overtime Charges Apply After 5 Minutes
To Calls of 2 Message Units or More.

Place All Interzone Calls With Your Local Operator

NOTE: The above rates and charges were in effect at the time of issuance of this directory.

FARMINGTON

MOBILE SERVICE

Mobile Telephone Service provides a means of transmitting calls to or from moving vehicles, such as automobiles, trucks or boats. Each mobile telephone has its own number. Conversations to and from vehicles equipped with this service travel part

way by regular telephone wire and part way by radio channel.

To place a call to a mobile telephone, call Long Distance.

If you wish further information about mobile telephones, call Detroit, Woodward 3-9900, Extension 3156.

LONG DISTANCE SERVICE

STATION CALLS

A Station call is one on which you ask the Operator to connect you to a distant telephone without specifying a person or extension.

To place a Station call, tell the Operator the name of the city and the number of the distant telephone. If the telephone number is not known, give the name and address under which it is listed. For example, "Blanktown, Iowa, Main 2544." Or, "Blanktown, Iowa, the residence of Mr. John Doe, 2664 Elm Street."

Station calls cost less and are better if you are reasonably sure that the one you want to talk to will be available. Charges on Station calls begin as soon as the distant telephone is answered.

PERSON CALLS

A Person call is one on which you specify that you want to talk to:

- 1—an individual, such as "Mr. John Doe," or
- 2—a department, such as "Purchasing Department, Jones and Company," reached through a private switchboard or
- 3—an extension telephone reached through a private switchboard, such as "Room 435, Excelsior Hotel."

Charges on Person calls begin when the person you named, or a substitute acceptable to you, is on the telephone.

While Person calls cost more than Station calls, they are generally bet-

ter if you are not sure that the person with whom you wish to speak will be available when you call.

COLLECT CALLS

If you want the charges billed to the distant telephone, tell the operator when you place the call that it is to be a "Collect" call. She can then determine whether someone at the distant telephone will accept the charges.

There is no extra charge for Collect calls, except on Station calls with an initial rate of 25 cents or less.

NIGHT AND SUNDAY RATES

Reduced rates apply from 6:00 P.M. until 4:30 A.M. and all day Sunday, Christmas Day, New Year's Day, and Thanksgiving Day when the call is to:

1. A Michigan point, and the initial 3-minute rate is 45 cents or more on a Station call, or 65 cents or more on a Person call, or
2. A point outside of Michigan, but within the United States or Canada, and the rate is 40 cents or more on a Station call, or 55 cents or more on a Person call.

In determining whether the day or night rate is to apply, the time prevailing when the connection is established at the place where the call originates is used.

OVERSEAS SERVICE

Approximately 75 countries can now be reached by telephone. For ex-

FARMINGTON LONG DISTANCE SERVICE

(continued)

ample, you may call Amsterdam, Holland; London, England; Brussels, Belgium; Sidney or Brisbane in Australia, or Shanghai, China, and the cost will be \$12 for a three-minute conversation on week days. The Sunday rate to these cities is \$9.

An overseas call goes by wire to a radiotelephone station on the coast, across the ocean by radio, then by wire again to the person you are calling.

Just call Long Distance. She will be glad to assist you in calling overseas, or other foreign points.

WHEN AN EMERGENCY REQUEST INTERRUPTS YOUR CONVERSATION PLEASE HANG UP QUICKLY

If your party-line neighbor comes in on the line and says, for example, "My house is on fire", please give up the line without delay. Remember, it may mean the saving of both life and property.

DIRECTORY ACCURACY

Every effort is made to compile and print this directory as accurately as possible; however, despite care and attention, errors sometimes occur.

Please check your listings when you receive a new directory. If your listing is incorrect, notify the Business Office at once so that we may

change our records and do whatever we can to protect your service in the meantime.

The Company assumes no liability for damages arising from errors or omissions in free listings. Its liability, in the case of paid listings, does not exceed the charge for such listings during the life of this directory.

ATTACHMENTS TO DIRECTORIES

To insure the usefulness of the directory, no attachment, holder or auxiliary cover, except such as may be

furnished by the Company, shall be used in connection with any telephone directory furnished by the Company.

ENTERPRISE NUMBERS

Enterprise numbers listed in any section of this directory are only for the use of customers calling from the par-

ticular exchange in which the listing is shown.

BEFORE you hang up ..

... wait a little longer. Mother may be giving baby a bath . . . or singing in the shower herself . . . or washing in the basement. Give her plenty of time to reach the telephone, and save yourself extra calls.

Helpful Hints for TELEPHONE USERS

ANSWER PROMPTLY

Many telephone calls are important! You are less apt to miss calls if you answer your telephone promptly.

SPEAK IN NORMAL VOICE

You can be heard most distinctly if you hold the mouthpiece close to the lips, and speak in a normal tone of voice.

KEEP PAD, PENCIL HANDY

To jot down notes when telephoning, keep a pad and pencil handy. They help save time on your long distance calls, too.

WAIT BEFORE HANGING UP

The person called may be unable to reach the telephone at once. Give him plenty of time to answer—save making another call.

HANG UP CAREFULLY

By replacing the telephone receiver gently when through talking, you avoid giving the other person a "bang" in the ear.

CONSULT DIRECTORY

Referring to the telephone directory for correct numbers helps avoid "wrong numbers" and often saves extra calls.

*The odds are
all in your favor!*

When you're not quite sure about a telephone number and you wonder whether to call "Information", please remember: the odds are that the number you want is right here in the book.

In Michigan, 3 out of 5 calls to "Information" are for numbers listed in the telephone directory. There are so many of these unnecessary calls that answering them adds up to hundreds of hours of operator and switch-board time every day.

You can help us save that time and give better service on the necessary calls if you'll cooperate in these two simple ways:

1. *Please look in the directory before you call "Information."*
2. *If the number isn't listed and you must call "Information," please write the number down so you'll have it next time.*
