LEGAL SECRETARIES

Dear Legal Secretaries:

If you get up in the morning and thing "I wish I didn't have to go to work today", believe me, it's time for a change in jobs.

Stop being a masochist and do something about it! Isn't your mental health important to you? Why beat your brains out all day long on a job that no longer fulfills you. Do you realize most of us have to spend more than 2000 hours a year working away from home, so you better like what you're doing.

A good job is one where the week isn't long enough, and you resent the weekends that take you away from it. Do yourselves a favor TODAY. Pick up the phone and call Jeanne. It only costs 20¢ and a few minutes of your time. A psychiatrist is a lot more expensive.

If I don't have the job that turns you on, I'll find it for you. We don't push people into situations they don't want. We keep you out of them.

If you have what you think is a great job, have your husband or friend try our employer thanks?

All fees are employer paid.
