FBI—For number, call INFORMATION

This directory is the property of the
MICHIGAN BELL TELEPHONE COMPANY

WHEN AN EMERGENCY REQUEST INTERRUPTS YOUR CONVERSATION PLEASE HANG UP QUICKLY

If your party-line neighbor comes in on the line and says, for example, "My house is on fire," please give up the line without delay. Remember, it may mean the saving of both life and property.

BUSINESS TRANSACTIONS WITH THE COMPANY

YOUR SERVICE REPRESENTATIVE

In the Plymouth and Northville Offices of the Michigan Bell Telephone Company, you will find a Service Representative

ready to help you with all your business transactions. She will arrange for new service installations, for any changes in your service, and will answer any questions you may have about your service or bill.

BUSINESS BY TELEPHONE

If you wish to telephone about your bill or about your service, ask the "Operator" for the Business Office. Calls may be made to this office without charge.

BUSINESS IN PERSON

Business may be transacted in person at the Business Office:

110 N. Center Street—Northville

This office is open from 8:00 A.M. to 5:00 P.M. Monday through Friday and until 12:00 Noon on Saturday. It is closed on Sunday and on generally observed holidays.

SERVICE RATES

Rates for service may be obtained from the Business Office.

YOUR TELEPHONE BILL

Telephone bills include charges for local service for one month in advance of the date of your bill and for out-of-town calls made during the monthly period preceding the date of your bill. Each customer is held responsible for all long distance messages originating from his telephone.

Bills may be paid at the Mich. Bell Telephone Co. 110 N. Center Street, Northville

If paying by mail, please enclose the bill stub with your check and mail to the Michigan Bell Telephone Company, 110 N. Center Street, Northville.

If the stub has been mislaid, please write your telephone number on the check.

LONG DISTANCE SERVICE

STATION CALLS

A Station call is one on which you ask the Operator to connect you to a distant telephone without specifying a person or extension.

To place a Station call, tell the operator the name of the city and the number of the distant telephone. If the telephone number is not known, give the name and address under which it is listed. For example, "Blanktown, Iowa, Main 2544." Or, "Blanktown, Iowa, the residence of Mr. John Doe, 2664 Elm Street."

Station calls cost less and are better if you are reasonably sure that the one you want to talk to will be available. Charges on Station calls begin as soon as the distant telephone is answered.

PERSON CALLS

A Person call is one on which you specify that you want to talk to:

- 1—an individual, such as "Mr. John Doe," or
- 2—a department, such as "Purchasing Department, Jones and Company," reached through a private switchboard or
- 3—an extension telephone reached through a private switchboard, such as "Room 435, Excelsior Hotel."

Charges on Person calls begin when the person you named, or a substitute acceptable to you, is on the telephone.

Northville, Mich.

While Person calls cost more than Station calls, they are generally better if you are not sure that the person with whom you wish to talk will be available when you call.

COLLECT CALLS

If you want the charges billed to the distant telephone, tell the operator when you place the call that it is to be a "Collect" call. She can then determine whether someone at the distant telephone will accept the charges.

There is no extra charge for Collect calls, except on Station calls with an initial rate of 25 cents or less.

NIGHT AND SUNDAY RATES

Reduced rates apply from 6:00 P.M. until 4:30 A.M. and all day Sunday, Christmas Day, New Year's Day, and Thanksgiving Day when the call is to:

1. A Michigan point, and the initial 3-minute rate is 45 cents or more on a Station call, or 65 cents or more on a Person call, or
2. A point outside of Michigan, but within the United States or Canada, and the rate is 40 cents or more on a Station call, or 55 cents or more on a Person call.

In determining whether the day or night rate is to apply, the time prevailing when the connection is established at the place where the call originates is used.

NORTHVILLE
LONG DISTANCE SERVICE
(continued)

OVERSEAS SERVICE

Approximately 75 countries can now be reached by telephone. For example, you may call Amsterdam, Holland; London, England; Brussels, Belgium; Sidney or Brisbane in Australia, or Shanghai, China, and the cost will be \$12 for a three-minute conversation on week days. The Sunday rate to all of these cities is \$9.

An overseas call goes by wire to a radiotelephone station on the coast, across the ocean by radio, then by wire again to the person you are calling.

Just ask the Operator for LONG DISTANCE. She will be glad to assist you in calling overseas, or other foreign points.

DIRECTORY ACCURACY

Every effort is made to compile and print this directory as accurately as possible; however, despite care and attention, errors sometimes occur.

Please check your listings when you receive a new directory; and, if incorrect, notify the Business Office at once so that we may change our records and do whatever we can to protect your service.

The Company assumes no liability for damages arising from errors or

omissions in free listings. Its liability in the case of paid listings does not exceed the charge for such listings during the life of this directory.

ATTACHMENTS TO DIRECTORIES

To insure the usefulness of the directory, no attachment, holder or auxiliary cover, except such as may be furnished by the Company, shall be used in connection with any telephone directory furnished by the Company.

ENTERPRISE NUMBERS

Enterprise numbers listed in any section of this directory are only for the use of customers calling from the par-

ticular exchange in which the listing is shown.

A Friendly SUGGESTION...

If you have found the Classified Telephone Directory helpful as a guide to buying, tell your friends about it. Perhaps they will find the convenient listing of trades-people useful, too, and they will appreciate your suggestion.

Many new residents, especially, have come to rely on the Yellow Pages of the Telephone Directory to help them locate the dealer who can serve them best, or to find who handles the brands of goods they want.

The Classified tells who's who in local business. Its listings are made up of alert merchants and service concerns that stand ready to serve you and your friends.
