TO THE SELLER
You can sell your home, that we all know.
Though the buyer is the finest in the land,
But a skillful realtor will really get you the dough.
Do you know how to get him a few essential grains?
Can you screen the buyers from the ones who love to roam,
And satisfy their curiosity by going through your home?
What about the cost of ads that fail,
And the risk of closing up a sale?
But should you need any help at all,
Just give Harry S. Wolfe a call.
And let us handle these headaches for you.
That is our business
For we have nothing else to do
