directory listings, etc.)

..... Dial Market 4-9911, the BUSINESS OFFICE.

From COIN TELEPHONES ..... Dial "OPERATOR" and ask for the BUSINESS OFFICE.

This Directory is the Property of the MICHIGAN BELL TELEPHONE COMPANY

## WALLED LAKE

# INFORMATION ABOUT YOUR TELEPHONE SERVICE

### HOW TO PLACE A LOCAL CALL

Every MA rket telephone is assigned a five-digit number (example, MA rket 4-1790).

To call another MA rket number from your telephone, it is necessary to dial the first TWO LETTERS of your central office name, followed by the 5 numerals. For example: to call MA rket 4-1790, Dial M,-A, followed by the Red numerals 4-1, 7, 9 and 0.

### THE DIAL TELEPHONE

#### HOW TO PLACE A CALL

Lift the receiver and, if you have a party line, listen a moment to make certain that the line is not in use. If the line is being used replace the receiver carefully and wait a few minutes before attempting to make your call again.

If the line is available, you should soon hear a steady humming sound . . . hum-m-m-m THE DIAL TONE. Be sure to listen for the dial tone before dialing, otherwise you may get a wrong number.

If you do not hear the dial tone immediately, please wait for it, as the dial tone is the signal that indicates the equipment is ready to handle your call. Then dial each figure of the number you want in order, permitting the dial to return without interference. If the return of the dial is slowed or speeded up it may result in a wrong number.

#### WHEN AN EMERGENCY REQUEST INTERRUPTS YOUR CONVERSATION PLEASE HANG UP QUICKLY

If your party-line neighbor comes in on the line and says, for example, "My house is on fire", please give up the line without delay. Remember, it may mean the saving of both life and property.

Shortly after you have completed dialing, the bell of the telephone you are calling will begin to ring, unless the line is busy. The "ringing signal" will be heard in the receiver as a burr (pause) burr (pause). If the line you called is in use, you will hear the "busy signal," a buzz-buzz-buzz sound.

If your finger slips from a dial opening, or you make any other error while dialing, hang up and, after waiting a moment, listen for the dial tone and dial again.

Whenever your number is requested on a call, give both the name of your exchange and your number.

#### WHEN THERE'S NO ANSWER

If you receive no answer—only a ringing—after dialing a number over a period of time and you have reason to believe an answer should be obtained, Dial "Operator" and ask for assistance in reaching the number. She will be glad to help you.

## WALLED LAKE CALLS TO A PARTY ON YOUR LINE

Calls to the other party on your line must be made either by dialing a special code number or by assistance from the Operator. Dialing the regular telephone number will result in the busy signal being received.

You can secure the name, telephone number and the code of the other party on your line by dialing FE 114 Repair Service, between 8:00 a.m. and 5:00 p.m. except on Sundays and generally observed legal holidays.

### BUSINESS TRANSACTIONS WITH THE COMPANY

#### THE BUSINESS OFFICE

If you wish to discuss your bill or your service dial MA rket 4-9911, the Business Office. Calls may be made to this office without charge.

The Business Office, located at 110 North Center Street, Northville, is open from 8:00 A.M. to 5:00 P.M. Monday through Friday and until 12:00 noon on Saturday. The office is closed on Sunday and on generally observed holidays.

#### SERVICE RATES

Rates for service may be obtained from the Business Office.

### LONG DISTANCE SERVICE

#### STATION CALLS

A Station call is one on which you ask the Operator to connect you to a distant telephone without specifying a person or extension.

To place a Station call, tell the operator the name of the city and the number of the distant telephone. If the telephone number is not known, give the name and address under which it is listed. For example, "Blanktown, Iowa, Main 2544." Or, "Blanktown, Iowa, the residence of Mr. John Doe, 2664 Elm Street".

Station calls cost less and are better if you are reasonably sure that the one you want to talk to will be available. Charges on Station calls begin as soon as the distant telephone is answered.

When you know the special code for reaching the other party on your line, dial it in the usual manner, and then hang up the receiver. Your bell will ring at intervals; when the ringing stops, it is an indication that the called party has answered. Remove the receiver and start conversation.

If ringing does not stop within about one minute, it is probable that the called party is not available. To stop the ringing, remove the receiver from the hook and then replace it.

#### YOUR TELEPHONE BILL

Telephone bills include charges for local service for one month in advance of the date of your bill and for out-of-town calls made during the monthly period preceding the date of your bill. Each customer is held responsible for all long distance messages originating from his telephone.

Bill payments may be made in Walled Lake at the Voorheis Insurance Agency, 232 Liberty.

If paying by mail, please enclose bill stub with your check and mail to the Michigan Bell Telephone Company, 110 North Center Street, Northville. If the stub has been mislaid, please write your telephone number on the check.

#### PERSON CALLS

A Person call is one on which you specify that you want to talk to:

- 1—an individual, such as "Mr. John Doe," or
- 2—a department, such as "Purchasing Department, Jones and Company," reached through a private switchboard or
- 3—an extension telephone reached through a private switchboard, such as "Room 435, Excelsior Hotel."

Charges on Person calls begin when the person you named, or a substitute acceptable to you, is on the telephone.

While Person calls cost more than Station calls, they are generally better if you are not sure that the person with whom you wish to talk will be available when you call.

## WALLED LAKE LONG DISTANCE SERVICE

(Continued)

### COLLECT CALLS

If you want the charges billed to the distant telephone, tell the operator when you place the call that it is to be a "Collect" call. She can then determine whether someone at the distant telephone will accept the charges.

There is no extra charge for a collect call, except on Station Calls with an initial rate of 25 cents or less.

### NIGHT AND SUNDAY RATES

Reduced rates apply from 6:00 P.M. until 4:30 A.M. and all day Sunday, Christmas Day, New Year's Day, and Thanksgiving Day when the call is to:

1. A Michigan point, and the initial 3-minute rate is 45 cents or more on a Station call, or 65 cents or more on a Person call, or
2. A point outside of Michigan, but within the United States or Canada, and the rate is 40 cents or more on a Station call, or 55 cents or more on a Person call.

In determining whether the day or night rate is to apply, the time prevailing when the connection is established at the place where the call originates is used.

### OVERSEAS SERVICE

Approximately 75 countries can now be reached by telephone. You may call Amsterdam, Holland; London, England; Brussels, Belgium; Sidney or Brisbane in Australia, or Shanghai, China, and the cost will be \$12 for a three-minute conversation on week days. The Sunday rate to all these cities is \$9.

An overseas call goes by wire to a Bell System radio-telephone station on the coast, across the ocean by radio, then by wire again to the person you are calling.

Your Operator will be glad to assist you in calling overseas, or other foreign points.

### DIRECTORY ACCURACY

Every effort is made to compile and print this directory as accurately as possible; however, despite care and attention, errors sometimes occur.

Please check your listings when you receive a new directory. If your listing is incorrect, notify the Business Office at once so that we may

change our records and do whatever we can to protect your service in the meantime.

The Company assumes no liability for damages arising from errors or omissions in free listings. Its liability, in the case of paid listings, does not exceed the charge for such listings during the life of this directory.

### ATTACHMENTS TO DIRECTORIES

To insure the usefulness of the directory, no attachment, holder or auxiliary cover, except such as may be

furnished by the Company, shall be used in connection with any telephone directory furnished by the Company.
