BUSINESSMEN
Income tax season makes us all cost conscious. If you are not using FARMINGTON SECRETARIAL AND TELEPHONE ANSWERING SERVICE, its time to investigate . . . a full time telephone secretary that takes your calls, types your letters, quotes, etc. makes photocopies, memeographs, sympathetically apologies for late deliveries or service calls, handles your in-out mail, (using the Business Center Building address), and generally works as YOUR secretary. All of this on a "job basis." You eliminate unemployment taxes, rent or salary—pay for services rendered at a sensible rate, and totally deductible.
