Peugeot 505S
turbocharged diesel

From the second-largest carmaker in Europe comes the Peugeot 505 S. So high in it quality - and so well is it equipped - that some observers think it may well be undervalued in today's market.
Peugeot 505 S includes factory installed air conditioning, electric windows, electric sunroof, cruise control, digital AM/FM stereo radio with Seek/Scan tuning and four speakers, central door locking, and Michelin steel-belted radial tires and a 5-speed automatic transmission.
