"I like the easy flow of people in 5000. You can be as involved as you want to be or as uninvolved for that matter."

"It's very stylish living."

5000 At Town Center isn't just a lifestyle. It's a life with style.

Just ask the residents.

They'll tell you about the uniformed doormen. The valet parking. The New York feeling.

But what they're talking about is style.

They'll tell you about the exciting and dramatic floor plans you've probably never even seen before. The heated pool, exercise room, saunas, and lighted tennis courts.

The concierge that offers personal service 24 hours a day, 7 days a week.

But just remember, what they're really talking about is style.

You see, 5000 At Town Center is like no other highrise apartment complex in the Suburban Detroit area.

It's located in the middle of Southfield's "city-within-a-city" Town Center Complex. Where you can walk to some of Southfield's nicest shops and restaurants.

Now that's style.

Just ask the residents. They recognize it because they have it.

And maybe you do, too.

If so, visit one of our models at Evergreen and Civic Center Drive today. Each comes with full carpeting, and fully equipped, ultra-modern kitchen, and, oh yes, even your own washer and dryer.

We're open from noon to 6 P.M. Monday through Friday and noon to 5 P.M. on weekends. Two and three bedroom residences starting from $745.00.

Cosmopolitan living is part of your lease...
