• There was no correspondence to the Board Trustees from the public Board Comments form.
• Director Grover shared four pieces of correspondence.

LIBRARY DIRECTOR’S REPORT
In addition to the Director’s Report, Director Grover shared highlights of Library activities:
• Farmington Community Library has a prospective donor who will contribute toward the purchase of the Dremel 3-D printer for the Library. Director Grover presented a detailed comparison of the features and prices for 3-D printers. She also extended her thanks to IT Manager, Mary Carleton, for the extensive research in gathering that data.
• Director Grover read Green Eggs and Ham to children during the Library Dr. Seuss birthday party.
• Shira Pilarski, Teen Librarian, attended the American Library Association’s Midwinter Conference; Riti Grover, Jaclyn Miller, Kelley Siegrist and Jill Webb attended the Public Library Association Conference in Nashville. All have submitted conference reports to share with staff.

Presentation by Plante Moran on Proposed Accounting Services
Director Grover has been in discussions with J. Montgomery, P. Huyck and three (3) different accounting and hiring services to gather options to fill the positions of Payroll Specialist and Accounting Manager. Dave Helisek and his team from Plante Moran, presented their proposal for handling the accounting services at the Library. Plante Moran Government Accounting Professionals could provide internal accounting minus payroll.

The cost is based on the proposed work and is “scale-able” according to the needs of the Library. The total amount for the first year might reach $90,000 then reduce to $77,000, thereafter.

In most cases, a Request For Proposal is not required for professional services.

Plante Moran could be on site within a week to work with the current Accounting Temp, Marjanna James.

Presentation by ADP on Proposed Comprehensive Payroll and Human Resources Module
Representatives from ADP presented their proposal to streamline the administrative processes related to payroll and Human Resources services and talk about controlling labor costs using their module.

In addition to payroll, ADP would offer, several services, including benefits, compliance notifications, labor law posters, benefit enrollment, on-boarding and communication with employees. ADP would play a part in updating the Employee Handbook, job descriptions and handle Family Medical Leave Act changes.
ADP will send an entire packet including the final numbers.

The cost for the above mentioned module from ADP based on the proposed work to include payroll and Human Resources, would be $55,000 per year with a two year contract. Board consensus is a quote for a one-year contract.

With the above options, the Library could restructure the Finance Office to include a Finance Coordinator, and promote the Office Assistant to a Human Resources Coordinator.

Discussions regarding ADP will be tabled.

**MOTION** by Rae that the Library accepts Plante Moran as our accounting service firm for the Library based upon their presentation tonight was supported by Hahn.

**Vote:** Aye: All in favor

The Board is in agreement that Director Grover is given the authority to hire a part-time or a full-time Finance Coordinator in restructuring the Finance Department.

Director Grover presented the Board with the request to purchase RansomWare anti-virus software for an annual fee of $12,500. The Board was in agreement to purchase the proposed RansomWare.

The threat of spreading COVID-19 virus has caused libraries to cancel programming until further notice. Director Grover explained the procedures in place in the Library to protect patrons and staff. Recommendation of the Board is that if the Farmington Public Schools close, the Library should close, also. Staff will be paid according to normal building closure procedures.
