My commission expires Oct. 26, 1928.

To the Honorable Board of Supervisors of Oakland County, Michigan:

Your special committee appointed to examine and report on the petition now filed with this board, of certain citizens of Royal Oak Township and the City of Royal Oak, for the annexation of certain territory to be taken from the Township of Royal Oak and annexed to the City of Royal Oak, beg leave to report and recommend as follows:

We find that the annexation is to be made under Act 279 of the Public Acts for the State of Michigan for 1909 and Acts amendatory and supplementary thereto. The lands proposed for annexation in said petition are all those pieces and parcels of land situate and being in the Township of Royal Oak, in the County of Oakland and State of Michigan, and described as follows, to-wit:

Commencing at the intersection of the North Section Line of Section Fifteen (15) with the Rochester Road or Paint Creek, so-called, in the Township of Royal Oak, Oakland County, Michigan; thence running East along said North Section Line of Section Fifteen (15) to the North and South one-quarter (¼) section line; being the Northeast corner of the Northwest quarter of said Section Fifteen (15); thence North along the North and South quarter Section Line of Section Ten (10), Fifty (50) rods to the South line of lands now owned by the Red Run Golf club, thence West to the center of the Paint Creek Road, or Rochester Road, so-called, thence Southwesterly along the center of the Paint Creek Road, or Rochester Road, so-called to the place of beginning; said land being in the South Half of the Southwest quarter of Section Ten (10) Township of Royal Oak, Oakland County, Michigan.

Also the following proposed territory described as follows to-wit:

Commencing at the Northeast corner of Section Sixteen (16); thence running West along the North Line of Section Sixteen (16) to a point where the center line of Columbus Avenue intersects the section line (said point being the present boundary line to the City of Royal Oak); thence North and along the line of Columbus Avenue to the East and West quarter line of Section Nine (9) thence Easterly along said quarter line of Section Nine (9) thence Easterly along said quarter line to the East line of said Section Nine (9); thence continuing Easterly along the East and West quarter line of Section Ten (10) to the center of the Rochester Road, so-called; thence Southwesterly along the center line of said Rochester Road, so-called, to the center of the South Section Line of Section Ten (10): thence Westerly along the center of the section line to the place of beginning. Said Territory includes the East Half of the Southeast Quarter of Section Nine (9) lying West of the center of the Rochester Road; said premises being in the Township of Royal Oak, Oakland County, Michigan.

We find that said petition was filed with the County Clerk over 30 days prior to the present session o fthe Board of Supervisors as required by law; that proper affidavits are attached and that all said proceedings appear to be regular and in accordance with the statute;

We therefore recommend that the citizens of the City of Royal Oak and the Township of Royal Oak comprising all the territory affected by the proposition be granted the opportunity to vote on April 6th, 1925, on this question in accordance with said resolution as passed on by this Board and that the County Clerk be instructed to take the necessary steps and proceedings required under the statute, for an election to be held on the date above specified to decide the matter of said annexation.

To the Honorable Board of Supervisors:

Your committee on Boundaries, beg leave to report that they have examined the petition submitted to them for the incorporation of the City of Hazel Park, located in Royal Oak Township, Oakland County, Michigan.

In our opinion, this petition does not conform to the statute in that paragraph 4 of the said petition is irregular. This paragraph contains variations. There seems to be conflict between the writing and the figures which in our opinion would leave this paragraph open to different interpretations and in our opinion as the paragraph now stands the writing and not the figures control, and in view of these said irregularities and variations in said paragraph, the petition does not comply with the law covering matters of this kind and therefore, we recommend that this petition be denied acceptance.

To the Honorable Board of Supervisors of Oakland County, Michigan:

Your special committee appointed to examine and report on the petition now filed with this Board, of certain citizens of the Township of Royal Oak and the Village of Pleasant Ridge, for the annexation of certain territory to be taken from the Township of Royal Oak and annexed to the Village of Pleasant Ridge, beg leave to report and recommend as follows:

We find that the annexation is to be made under Act 279 of the Public Acts for the State of Michigan for 1909, and Acts amendatory and supplementary thereto. The lands proposed for annexation in said petition are all those pieces and parcels of land situate and being in the Township of Royal Oak in the County of Oakland and State of Michigan, and described as follows, to-wit:

Commencing at the intersection of the north section line of Section No. 21 with Woodward Avenue so-called in the Township of Royal Oak, County of Oakland, State of Michigan; thence running west along said north section line of Section 21 and 20 to the northwest corner of section 20; thence south along section line between Sections 19 and 20, 29 and 30 to the southwest corner of section 29; thence west along said east and west section line between sections 29 and 32, 28 and 33 to a point where said east and west section line intersects the westerly boundary to the Village of Ferndale, thence northerly along said westerly boundary of the Village of Ferndale to the southerly boundary of the Village of Pleasant Ridge; thence westerly along said southerly boundary of the Village of Pleasant Ridge to the southwest corner of said Village of Pleasant Ridge; thence northerly along the westerly boundary of the Village of Pleasant Ridge to the east and west section line between sections 28 and 21; thence easterly along said east and west section line between sections 28 and 21 to the quarter section line between the southeast one-quarter and the southwest one-quarter of section 21; thence north along said quarter section line to the westerly boundary of the city of Royal Oak, thence in a northwesterly direction along the westerly boundary of the City of Royal Oak to the point of beginning. The same being section 20 and all that part of section 21 not included in the City of Royal Oak, all of section 29 and that part of section 28 not included in the Village of Ferndale and Pleasant Ridge.

We find that said petition was filed with the County Clerk over 30 days prior to the present session of the Board of Supervisors as required by law; that proper affidavits are attached and that all of said proceedings appear to be regular and in accordance with the statute:

We therefore recommend that the citizens of the Township of Royal Oak and the Village of Pleasant Ridge comprising all the territory affected by the proposition be granted the opportunity to vote on April 6th, 1925, on this question in accordance with said resolution as passed on by this Board and that the proceedings under the statute, for an election to be held on the date above specified to decide the matter of said annexation.
