Attention VCR Owners!

Now you can view your home movies, slides and photographs on T.V.

Any 1 or previous customers gets original shared copy in a brand new transparent or pink cassette.
Re-live your memories. 8mm or 16mm movies, color slides and photos can be transferred onto video cassette for easy viewing on your TV. Once your memories are put on videotape they will be preserved forever. You'll never have to be bothered again with clumsy projectors, noisy projector projection, ruined or stained prints or our lost slides.

On Premises Video Transfer Service Features:

- JVC Systems and trained technicians.
- Narration and background music capabilities.
- Professionally executed wipes, dissolves and titles.
- Electronic color correction.
- VHS and Beta formats.
- Peace of mind service...your once in a lifetime memories never leave our premises.

Special Introductory Offer
FREE Video Transfer with coupon

Thru Saturday February 1st we will transfer 50 feet of 8mm, super 8mm or 16mm movie film or 20 slides or prints absolutely free. Pick up a blank tape from our wide selection or provide your own.
