ELECTRONIC SYSTEMS
Cummins Engine Company is a world leader in the heavy duty diesel engine field and have recently undertaken the design, development and manufacture of electronic products for the transportation industry. The Cummins Electronic Systems Division has a number of openings at both junior and senior levels in our Farmington Hills and Columbus, Indiana facilities.
DESIGN ENGINEERS for electronic circuit design and development for high-reliability engine control and other applications in a difficult environment for electronics. Includes specification, detailed design, breadboarding, testing of the equipment and participation in hardware/software integration and manufacturability analysis. Candidates should have a degree in Electrical Engineering.
SOFTWARE ENGINEERING REAL-TIME PROGRAMMERS for software development of real-time vehicle/engine controls. Includes use of assembly language and high level microcomputer programming for peripheral and control functions. Applicants should have microcomputer software development and hardware/software integration experience, preferably in real-time applications and hold a degree in engineering, science or mathematics.
SYSTEMS ENGINEERS for specification, development, application and field test of complex, microprocessor-based control, communication, diagnostic and display systems. Applicants should hold engineering degree and have least 2 years experience. Familiarity with disciplines such as Failure Mode & Effects Analysis and Error Budgeting/-Sensitivity Analysis is desirable.
COMPONENT ENGINEERS for specification, selection and evaluation of electrical, electromechanical and electropneumatic sensors and actuators. Applicants should be familiar with developing and executing part qualification and testing programs, and should hold an engineering degree.
We seek candidates with the required technical competence who are able to operate effectively in a team environment where flexibility and commitment to excellence are of prime importance.
For confidential consideration, please forward a resume including salary history to:
