ENVIRONMENTAL TECHNICIAN
- E.C. Jordan Co. has been building a solid reputation for professional excellence since 1873. We are a diversified consulting engineering firm of national scope serving industrial, commercial and governmental clients. In an age of specialization, our success is largely due to our multi-disciplinary approach to problem-solving.
- An immediate opening exists for an Environmental Technician in our Southfield, Michigan office. Responsibilities include organization of data, basic computations, environmental sampling, fieldoffice support and drafting/graphics. The successful candidate will have an Associate's technical degree and drafting skills.

Those interested in this Michigan opportunity should send their resume plus salary requirements, in confidence, to the Regional Manager.
