We are an equal opportunity employer

The Navy Has $40,000 To Help Pay For Your Education.
A Naval Reserve Officer Training Corps (NROTC) scholarship pays for tuition, fees and books at over 60 colleges and universities across the nation, and provides a tax-free allowance of $100 a month for up to 40 months. So if you qualify for an NROTC 4-year scholarship, you could receive over $40,000 to help you get the kind of college education you want.
Competition for NROTC scholarships is based solely on academic ability and demonstrated leadership potential, not on your family's financial situation. After graduation, you'll immediately move into a responsible, decision-making position as a Navy officer.
To see if you can qualify for an NROTC scholarship, call your Navy representative.
