500 Help Wanted

We want M.E.s who think better with their sleeves rolled up.

For over 40 years, superior ideas, hard work and quality products have established Hunter Engineering as a leader in automotive service equipment. We have the sales, the facilities and the technology. And now we need more creative Designers to continue our current growth and success.

We seek Mechanical Engineers with a background in machinery/equipment design who want a hands-on role in product design and development. You'll function as a project leader, taking an idea from conception to production of finished product. With emphasis on design, you should have 8-10 years of large machinery and/or sophisticated capital goods experience. BSME preferred, or equivalent.

Please forward your resume to: Human Resources Director, Hunter Engineering Company, 11250 Hunter Drive, Bridgeton, MO 63044. Equal Opportunity Employer.
