"GET A SECOND OPINION"

If you are selling or trading in your car or light truck and you feel the appraisal is too low, check us out!

Why can Somerset pay more money to buy clean cars and trucks?

#1. We sell twice as many cars as most dealers. High volume keeps our rent factor per car less than $2.00.
#2. We sell our entire used car inventory every day. This makes our inventory expense almost nothing.
#3. We sell our cars at 75% less profit than most other dealers do.
#4. We sell to 89 dealers nationwide to ensure maximum market exposure.
