We invite you to the premier showing of the magnificent "Heather" model home. It is set on one and one-half acres of unspoiled, pristine, rolling, deeply-wooded land on rare, spring-fed, crystal-clear Heather Lake.

Most remarkable of all is the fact that a 1½ acre homesite in this year-round splendor, located in quaint Clarkston can be yours so reasonably: With just 20% down on Land Contract terms.

So see the "Heather" with its new angle contemporary design, cathedral ceilings, and wall of windows. And see how reasonably the home of your dreams, on the homesite of your dreams can be yours.
