"THIS NEW VW...WILL SURELY SET STANDARDS FOR OTHERS TO MEET OVER THE NEXT FEW YEARS."
Scirocco. A hot wind from the Sahara. Scirocco. A hot new car from Volkswagen. Here's what Road & Track has to say about it. "The Scirocco is a modern, sophisticated car...a car that appears to be perfectly suited for our time. Lively acceleration with remarkable fuel economy...crisp handling...This steering is tight...cornering powers is well into the sports-car range, too...A very good ride...There is no waste, not an ounce of fat on it, and yet it's exciting to look at, delightful to drive and technically fascinating."
