Manufacturing Management
SHIFT SUPERVISOR
Join our team! We're conducting a search for an individual well versed in the manufacturing field, preferably with JIT, CEM and/or aftermarket experience. Familiarity with the tube bending field would be a definite plus. We require a minimum of five years in a manufacturing supervisory role to qualify for this second shift, management position reporting directly to our Plant Manger.
Your go-getter attitude, excellent communication and interpersonal skills are more important than your degree. Our candidate will be comfortable in an informal environment, uncomfortable behind a desk and willing to do whatever it takes to get the job done.
We're building a solid team of enthusiastic management personnel. Sound like you? We offer a fully paid benefits program including the use of our in plant corporate fitness center.
Send resume in complete confidence to:
