Engineers
Move your career to the top at Nippondenso

The top is a nice place to start. At Nippondenso, that's exactly where you'll be. As a world leader in developing, manufacturing and delivering high-quality automotive systems and components, we provide the resources, support and freedom you need to achieve your personal and professional goals. Right now, we are seeking several skilled and experienced mechanical and electrical engineers who would like to be involved in a wide range of engineering services at our Southfield, Michigan Technical Center.

We are currently seeking engineers with automotive engineering experience for our Powertrain, Engine Electrical, Climate Control, Electronic Systems Engineering, Experimental Engineering, and Instrumentation/Display Groups. A Bachelor's degree in Mechanical or Electrical Engineering is required. Three - eight years' of automotive related experience is preferred.

We offer outstanding compensation and benefits package, and encourage career development and advancement, including the opportunity to train in Japan at some of the most state-of-the-art facilities in the world. If this challenge interests you, please submit your resume, cover letter and salary requirements to: Nippondenso Technical Center, Human Resources-TAM, P.O. Box 5133, Southfield, MI 48086-5133.
