MANUFACTURING OPPORTUNITIES

At Johnson Controls, innovation comes from all areas. We seek ideas and new approaches. Our Plastic Container Division is a leading U.S. supplier of high-quality soft drink bottles and jars. We are also shipping for a wide variety of markets. We start right from concept and design through production, including tooling, design, manufacturing, and delivery. At every step, the flexibility to accept new solutions has kept us at the forefront of the industry. We are now accepting applications for:

PLANT MAINTENANCE SUPERVISOR

This individual will be responsible for managing the maintenance function of our facility. Must have at least 10 years of broad industrial maintenance experience with a minimum of 3 years in a supervisory position and a degree in mechanical or degree in related field are required.

MAINTENANCE MECHANICS

The qualified candidate will have 3-5 years experience and extensive knowledge for hydraulic, pneumatic, electrical and mechanical systems. Ability to read schematics and good troubleshooting skills necessary.

MACHINE OPERATORS

Qualified individual must be capable of operating equipment and making mechanical adjustments of machinery used in production.

A comprehensive benefits program plus commitment to employee involvement add to the advantages of being a Fortune 200 company with worldwide facilities. Please forward your resume to:

JOHNSON CONTROLS, INC.
