Had it up to "here" with the real estate market?

Today's real estate market can be very frustrating, especially if you're selling your home. We've all heard the bad news about interest rates and the scarcity of qualified buyers. But don't give up! There are many different ways to find qualified buyers, and many different types of financing. Observer & Eccentric area Realtors are selling homes by using creative financing methods you may never even have heard of. They're trained professionals, and they can find the home-buyer you're looking for.
