Coldwell Banker backs our sales associates with the most extensive training program around. Our five-part training series turns ordinary sales associates into sales professionals. We train our people in every phase of the real estate business. Experienced and inexperienced sales associates alike learn proven methods of listing, selling and financing property. Our effective marketing, advertising, management support and continuing education programs also help each and every one of our sales professionals to grow.
And the best part is, you can begin training for your career in real estate today - even if you don't have a license!
To find out how you, too, can earn $35,000 or more in the next 12 months attend a Coldwell Banker Career Night.
