MACHINE TOOL BUILDERS/MAINTENANCE

A high volume Southeastern Oakland County manufacturer of machined castings is seeking applicants available to work any assigned shift in our maintenance/machine building department for the following positions:

MACHINE TOOL/ INDUSTRIAL ELECTRICIAN — GENERAL MACHINE TOOL BUILDERS

The selected candidates will be building some new and maintaining and repairing currently operating automated machining systems (rotary dial machines, transfer line equipment and flexible machines) that utilize programmable logic controllers, computerized diagnostic systems, variable speed motor drives and electronic test equipment. Troubleshooting skills a must. These are not project positions.

Electrician must have some familiarity with T.I., G.E. and/or Allen Bradley programmable logic controllers.

Mechanical Tech must have expertise in mechanical, hydraulic, pneumatic and lubrication systems. Machine building and pipe fitting skills are desirable.

A drug-free, equal opportunity employer offering competitive wages and benefits. Please send a handwritten letter expressing interest along with a resume and wage history to:

M.O.A.D./MAINTENANCE
P.O. Box 116 • Hazel Park, MI 48030-9998

Test Drivers & Technicians:

Put Ford Car Product Development Into Your Future.

At Ford Car Product Development (CPD), the diversity of our people, ideas and approaches has allowed us to make innovative advances in the automotive industry. Everyday, our professionals work together turning unique ideas into automotive reality. If you'd like to become part of the team that values originality and rewards individual effort, put Ford Car Product Development into your future by joining us in one of these "temporary" positions.

Test Drivers

Minimum qualifications include a chauffeurs license and previous job experience as a driver (semi-tractor trailers, heavy trucks, buses, or related). The preferred candidates will possess a Class II Operators license.

Technicians

An Associate's degree in Automotive, Mechanical or Electrical Engineering Technology preferred. Laboratory, vehicle testing or development experience is a plus.

We offer competitive salaries and an environment that fosters success. For additional information, or for prompt consideration, please forward your resume in confidence today. Ford Motor Company employees on layoff who meet these qualifications should contact their personnel activity for information on how to apply for these positions. You may fax your resume to: (313) 594-9988.
