SALES
Underemployment is 10 times the problem of unemployment. If you are underemployed and looking for a career that offers personal independence, financial independence, opportunity for personal growth, and the reward of accomplishment, you get a kick out of working but want to be paid on direct production to your efforts, if you wouldn't mind starting income at between $30,000 to $40,000 - with no cap for raised growth - take the IF out of your life, send out your resume. We are a national insurance company, with a 140 year history. We are good people to add to our national personnel office. Send resume to

Annual Commissions

...And that is average only one sale a day! As your career, this is an opportunity, without an earnings ceiling.
In my nine years with IDC, I've made millions of dollars for my sales team. Now I need a few more outstanding salespeople to join me and that aggressively expanding division of Interior Design Center.
I'm looking for:
A people filled my positions by referral, so it's rare when I run an ad like this. So, if you are number one where you sell now, you may be the person I'm looking for.
Call today for an appointment and free brochure or mail your resume to
