Hungry Howie's

I work hard and want the better things in life. My career goals are not for my effort. I work between 42 and 46 hours in a well displayed showroom. I presently earn in excess of $3000/mo and I'm not the highest paid salesperson in my company. I also have a full benefits package including major medical, prescription and dental, and even profit sharing.
If this sounds like you, we should talk.
