Are You Like Me?
I'm 33, have 2 children, and want the better things in life. My career rewards me well for my efforts. I work between 42 and 46 hours in a well-displayed showroom. I enjoy people and get great personal satisfaction from knowing their lives will be better for having purchased my product. I presently earn in excess of $2,500+ a month commission and salary and I'm not the highest paid salesperson in my company. I also have a full benefits package including major medical, prescription, dental, and even profit-sharing. If this sounds like you, we should talk.
