"They pay you interest on checking, whereas other banks would charge you."

WHEN YOU SHOP FOR LOAN RATES YOU'LL SEE THAT you start to notice some things — like the fact that some financial institutions pay you interest on checking and others actually charge a fee. That is one of the reasons Dick Schaefer has been a member of Dearborn Federal Credit Union since 1973.

Members like Dick say they also appreciate our low minimum balance and overdraft protection features. They like the convenience of HomeBranch — 24-hour telephone banking and a nationwide network of ATMs. They like direct deposit, payroll deduction, no-annual fee Visa and MasterCards and our low rates on loans. And most of all, members say they like our personal attention to quality service.

"I feel more comfortable with the credit union," says Dick. "I don't see any reason why I would ever change — no matter where I live."

Whether you want a checking account that earns interest, great loan rates, or service that is right for you, make Dearborn Federal Credit Union your number one choice.
